ABOUT STRUGGLE OF STUDENT COMMUNITY (SS)

YOUR TALENT . YOUR SKILLS . YOUR OPPORTUNITY

Our Community

Struggle of Student is a **student-centric startup** designed to be a **single solution for all the problems faced by students**, especially in rural areas and Tier 2 & Tier 3 colleges.

So far, we have built a strong community of **over 2,000 students across 20+ colleges**. Through our platform, **200+ students have received internships**, and many others have gained valuable opportunities.

2,000+	20+	200+
Students in the community	Colleges connected	Internships secured

100% FREE

We will never charge one rupee from any student.
Every service of the community is completely free for students.

What We Provide

1. **Job Opportunities**
   Connecting students and graduates with openings from hiring partners.
2. **Internships**
   Hands-on industry exposure through internships sourced for our members.
3. **Career Guidance**
   Direction on roles, skills, resumes and building a career path.
4. **Part-time Jobs**
   Earn-while-you-learn work that fits around college schedules.
5. **Communication Skills Development**
   Building confidence, speaking and professional communication.
6. **Recognition and Growth**
   Platforms to be noticed, lead and grow through real responsibility.

...and much more.

OUR MISSION . VISION 2047

Creating awareness and career guidance for 10 Cr (100 Million) students by 2047.
